Dear Mr and Mrs Sandhu,

I am writing to thank you and the Trustees of the Sandhu Charitable Foundation for your extremely generous donation of £12,500 to go towards the restoration of the Temperate House, the third of four donations as part of the Temperate House Twenty initiative.

The restoration is going extremely well and I look forward to meeting you and showing you how the project is progressing on the evening of 7th June. We will also have the opportunity, over some drinks in the beautiful Marianne North Gallery, to see some of the rare and threatened species that will be returning to the Temperate House.

Once again thank you for your support of this monumental restoration.

With best wishes,

C. Bassadone
