Dear Bim & Pardeep,

I am writing to thank you and the Trustees of the Sandhu Charitable Foundation for your extremely generous donation of £12,500. This is your fourth and final donation to go towards the restoration of the Temperate House, as part of the Temperate House Twenty initiative.

You will be delighted to know that the final stages of the project are going extremely well. The restoration of the building is completed and most of the plants are now in place. I look forward to seeing you again on 3rd May for the Gala opening where you will be able to see for yourselves the completed project.

Thank you once again on behalf of Kew for your tremendous support towards this monumental restoration project.

With best wishes,

C. Bassadone
