Dear Nicky,

Following on from our email correspondence, I am writing to confirm that Street Child has received the donation of £15,000 from the Sandhu Charitable Foundation as part of our Right to Learn appeal. We very much appreciate the generous support, which will be used to provide much-needed help to children who are out of, or at risk of dropping-out of education.

Enclosed is an official receipt of funds and an eligibility letter to be signed by the trustees so that we can claim the match-funding from the UK Government. I look forward to providing updates on the progress of the Right to Learn project, as well as other developments in Street Child's work. Do not hesitate to contact us if you require any further information and please do pass on my thanks to everyone at the Sandhu Charitable Foundation.

Yours,

Sophie Douglas
