Dear Mr Sandhu,

Huge Thank you from The Akshaya Patra Foundation UK

Thanks a lot for your generous donation of **£10,000.00** towards the Akshaya Patra Kerala Flood 2018 campaign. Your donation will be used to provide food for the flood-affected victims of Kerala. Your support means that we will be able to help more flood victims – providing them with three meals per day and clean water.

I have enclosed a receipt for your records.

The Akshaya Patra Foundation has joined the national relief effort by setting up temporary kitchens to prepare and distribute cooked meals at breakfast, lunch and dinner to the flood-affected people of Alapuzha in Kerala and Coorg in Karnataka. Food is being delivered to people in Akshaya Patra meal delivery vans, boats, and also at the temporary kitchens themselves. As of now, we are providing bottled water and 10,000 meals at a cost of ₹3 Lakh or £3,323 per day.

The core cause of Akshaya Patra is to implement the Mid-Day Meal Scheme. However, Akshaya Patra is always actively involved in disaster relief services by providing food to affected people. Your generous support is helping us reach out to more survivors.

By sharing our vision of a world where no one should be suffering because of hunger, you are helping us to feed millions of deprived people. On their behalf and from all of us at Akshaya Patra, thank you.

Best wishes,

Bindu
