Dear Bim and Pardeep

Thank you so much for helping stop prostate cancer being a killer.

The £2,000.00 matched funding for Mike Phillips' Run and Bike Challenge 2018 is already being put to good use to help beat prostate cancer. It takes a huge amount of time and effort to fundraise, and I can't thank you enough for your support.

Your gift means we will find a better way to diagnose and treat prostate cancer sooner. You're also helping us to support more men and their families when they need us most.

Thank you for being a part of the team and helping to change the future for all men. We couldn't do this without you.
