Dear Mr. Sandhu,

On behalf of everyone at the Stroke Association and all of the stroke survivors that we help, I would like to thank The Sandhu Charitable Foundation for choosing to support us with a generous donation of £7,500 in March 2019.

Your grant will go towards supporting groups like the Harrow Aphasia Self Help Group and Ealing Stoke Club in London over the next year, helping stroke survivors, their families and carers to rebuild their lives after stroke.

Please take this letter as receipt of your donation.

I look forward to keeping you updated on the progress of these groups, but in the meantime if you have any questions please don't hesitate to contact me.

Yours sincerely,

Thank you so much for this generous donation which will directly support those affected by stroke in your local area.

Please do get in touch if you would like to know more about our groups in Harrow/Ealing and I'd be happy to arrange a visit if this is of interest. Best wishes,

Emma
